

26th Annual CANTON FINE ARTS Exhibition 2018

October 2 - October 27, 2018

Juror: Amy Foster is a 1994 graduate of the Center for Creative Studies - College of Art and Design in Detroit, MI. Foster received a well-rounded education in the field of illustration, graphic design and the fine arts. While she may dabble in painting and sculpting, Foster's true passion is drawing and her favorite subject matter is the figure... male or female, youthful or mature, clothed or tastefully nude. In 1999, Amy went into business for herself as a freelance artist and an art instructor. After teaching at a number of local institutions including her alma mater, now renamed the College for Creative Studies, she decided to open her own art studio in Richmond, Michigan. She still travels to teach workshops and some weekly classes... her latest location is the Atelier Art Studio in Royal Oak. Amy considers teaching to be a true privilege which enables her to share her love and knowledge of art.

According to Foster: "There is a time and place for all kinds of art. But what is it that sets one piece apart from the next? To me, the answer is Mastery. Mastery of the medium. Or subject. Composition. Contrast. Color. Concept. Originality. Works that show us a glimpse of the hand of a master should be shown. And those works that are able to combine multiple subjects of mastery deserve the awards."

The Canton Commission for Culture, Arts and Heritage is proud to present the 26th Annual Canton Fine Arts Exhibition to promote art created by Michigan artists. Chosen artists' work will be displayed to the public in October at The Village Theater at Cherry Hill, located at 50400 Cherry Hill Road. The goals of this exhibit include bringing quality art to our community and providing highly talented artists with opportunities to present their work in Canton.
