

RESIDENTIAL FENCE

COMPLIANCE APPLICATION CHECKLIST-2015 MRC

This list is provided as a guide to help you understand the information that must be contained on the construction drawings. This list is not all-inclusive of all building codes but is used as a general guide for plan review.

General

- All construction documents shall be submitted per application requests
- All drawings shall be completely dimensioned
- Drawn to scale not less than 1/8" = 1'0" or 1:20 for plot plans
- Drawings must be clear and legible
- Drawing shall be prepared on sheet paper size no smaller than 8-1/2" x 11"
- Complete scope of work must be clearly identified for all phases of construction, indicating compliance with the current edition of Michigan Residential Code.

Application submittal requirements:

- Fence permit application
- Minimum \$40.00 administration fees. Plan review and permit fees to be paid when permit is approved.
- Submit (1) copy of plot plan sealed by a registered surveyor with the proposed location of the fence or wall in reference to all lot lines, drives, walkways, other fences, streets and buildings located on the subject property and neighboring homes. Plot plan may be available upon request. Email molly.ross@canton-mi.org to request.
- Provide copy of homeowner association approval (if applicable)
- Completed neighbor authorization when the fence is on a shared property line.
- Fence manufacturer specifications

Required Inspections:

Fences:

- Final (Building) Inspection- #102

Licenses:

**Contractor's must register their Residential Builder's License with the township online.
Homeowner's may use the Homeowner's Permit Application**
