Pension System Name (not division) 1	Charter Township of Canton	If your pension system is separated by divisions, you would only enter one system. For example, one could have different divisions of the same system for union and non-union employees. However, these would be only one system and should be reported as such on this form.
Pension System Name (not division) 2		
Pension System Name (not division) 3		
Pension System Name (not division) 4		
Pension System Name (not division) 5

<b>Requirements (For your information, the following are requirements of P.A. 202 of 2017)</b>
Local governments must post the current year report on their website or in a public place.
The local government must electronically submit the form to its governing body.
Local governments must have had an actuarial experience study conducted by the plan actuary for each retirement system at least every 5 years.
Local governments must have had a peer actuarial audit conducted by an actuary that is not the plan actuary OR replace the plan actuary at least every 8 years.

By emailing this report to the Michigan Department of Treasury, the local government acknowledges that this report is complete and accurate in all known respects.
